## LOCAL ANNUAL REPORT FOR 2022

The Kenedy County Central Appraisal District is a political subdivision of the State of Texas. The provisions of the Texas Property Tax Code govern the legal, statutory, and administrative requirement of the appraisal district. Members of the Board of Directors are elected by the taxing units within the boundaries of Kenedy County and must live within the district two years prior to serving on the board. The Chief Appraiser is appointed by the Board of Directors and is the chief administrator of the appraisal district. You may only have one active homestead exemption at a time in a tax year. A homestead may include up to 20 acres of land that you actually use in the residential use (occupancy) of your home. The age 65 or older or disability exemption for school taxes includes a school tax limitation or ceiling. Some taxing units such as county have exemptions and tax ceilings limits. The filing of this application is between January 1 and April 30 for January 1 qualified properties. You may file a late homestead exemption if you file it no later than two years after the date taxes become delinquent. For prorated homestead exemption the applicant must apply for the part of the year that qualifies before the first anniversary of the date of acquisition. There is also a Transfer of Tax Limitation or Ceiling Certificate if you move out of the county. This can transfer one frozen over – 65 valuation to the new county to which you move.
