

# KENEDY COUNTY APPRAISAL DISTRICT

## LOCAL ANNUAL REPORT FOR 2021

The Kenedy County Central Appraisal District is a political subdivision of the State of Texas. The provisions of the Texas Property Tax Code govern the legal, statutory, and administrative requirement of the appraisal district. Members of the Board of Directors are elected by the taxing units within the boundaries of Kenedy County and must live within the district two years prior to serving on the board. The Chief Appraiser is appointed by the Board of Directors and is the chief administrator of the appraisal district. The local taxing units such as your County, School, Emergency Services District and Groundwater Conservation District set a tax rate from your property tax appraisal issued by the Appraisal District. You may only apply for residence homestead on one property in a tax year. A homestead may include up to 20 acres of land that you actually use in the residential use (occupancy) of your home. To qualify for a homestead exemption, you must own and reside in your home on January 1 of the tax year. The age 65 or older or disability exemption for school taxes includes a school tax limitation or ceiling. Some taxing units such as county have exemptions and tax ceilings limits. The filing of this application is between January 1 and April 30. You may file a late homestead exemption if you file it no later than one year after the date taxes become delinquent. There is also a Transfer of Tax Limitation or Ceiling Certificate if you move out of the county. This can transfer one frozen over – 65 valuation to the new county to which you move.
