The age 65 or older or disability exemption for school taxes includes a school tax limitation or ceiling. The filing of this application is between January 1 and April 30 for January 1 qualified properties. You may file a late homestead exemption if you file it no later than two years after the date taxes become delinquent. For prorated homestead exemption the applicant must apply for the part of the year that qualifies before the first anniversary of the date of acquisition. There is also a Transfer of Tax Limitation or Ceiling Certificate if you move out of the county. This can transfer the present of value frozen to the county in which you are moving.
